

# **Regional Seminar on SBA Governance 17-19 March 2015 Barcelona**

## **Post Barcelona Steps - Israel**

A project funded by the European Union

1. Create the tool for the SME test – to be implemented as a part of the RIA process
2. Meet the stakeholders (on a one-to-one basis), to mobilise them for implementing the test, generating understanding of SMEs challenges. Personal dialogue with each Regulator, preferably with the assistance of an EU expert

3. After the individual meetings, conduct a workshop to discuss the SME test draft
4. Implementation will result in integration of the SME test in the RIA manual and follow up on its systematic use by the Regulator.
